

Address of the vatican emergency solar telecom integrated cabinet

Overview

The plant will be located in Santa Maria di Galeria, some 11 kilometers from Rome, where Vatican Radio's broadcasting station is located. The Directorate of Telecommunications and Information Systems was established on 1 February 2008, and is the most recent of the Directorates of the Governorate of Vatican City State. Its mission includes the distribution of services for the State and for the Bodies and Institutions of the Holy See. By Christopher Wells Highlighting the need "to. Pope Francis has now asked Vatican authorities to begin constructing a solar plant. Since his 2015 encyclical "Laudato Si'," the Pope has been a firm defender of climate action and repeatedly appealed to the international community to take swifter and more decisive measures. To achieve his aim, solar panels will be installed on a Vatican-owned property outside Rome. In an apostolic letter issued "motu.
