

Australian Power Distribution and Energy Storage Cabinet Smart Product Warranty

Overview

This Smart Lifestyle Australia ESS Warranty Policy (herein referred to as the Policy) is applicable in all the countries where the product is sold through recognized Smart Lifestyle Australia partners. Smart Lifestyle Australia under its own discretion has the right. IP Enclosures offers a 5-year warranty across the full range of electrical enclosures, electrical cabinets and data racks. If you find a better price on a comparable 10-year warranty battery, we'll match it. From off-grid independence to large commercial projects, every solution is built for real-world performance — wherever power is needed. Get to know us Why DPA for your next project?

Backed by. Our Australian energy storage systems are trusted from K'gari, the world's largest sand island, to the streets of suburban Melbourne. Because when you go the distance, so do we. Our pre-wired cabinets minimise the time required to install batteries and inverter equipment on-site.
