

# Battery cabinets at Honduras New Energy Plant

## Overview

---

In early October, a batch of energy storage prefabricated cabins with a total capacity of 340 MWh from Cornex Energy were officially sent to Honduras, marking an important breakthrough for Chinese new energy companies in the Central American energy storage market. It is reported that this batch of. The National Electric Power Company (ENEE) has selected a Chinese-Honduran consortium to design, supply, install, test, and commission a grid-connected battery energy storage system (BESS) at the Amaratéca substation in the department of Francisco Morazán. Let's unpack what makes this lithium-ion-powered revolution so groundbreaking. Explore technical insights, regional impacts, and future opportunities in this detailed analysis.

## Battery cabinets at Honduras New Energy Plant
