

# Buy solar panels directly from solar manufacturers

## Overview

---

Yes, you can buy solar panels directly from the manufacturer—if you know what to expect and how the process works. Direct purchasing appeals to homeowners, installers, and businesses aiming to save money or customize their solar solutions. But buying direct isn't always straightforward. You need to understand the process. Generate clean, renewable electricity for your home, business, marine vessel, or RV using solar panels from EcoDirect! Located near San Diego, California, EcoDirect sells solar panels online and offers will-call options for local customers. The result can be tighter control over specifications, potential cost advantages, and a more streamlined warranty and support experience—especially for turnkey. Local pickup saves significantly: Choosing retailers with local pickup options can save \$50-\$200 per order while eliminating the 20% shipping damage risk that affects freight deliveries of solar panels. Price ranges vary dramatically by source: Solar panel costs range from \$0.
