

# Can the locker hold a lot of things

## Overview

---

Despite the limited storage space compared to an average storage unit, a 2x2 storage locker can hold a variety of items. The lockers are tall and narrow so everything accumulates in a pile at the bottom. I whipped up a simple shelving system to organize the clutter using scraps for the. The size storage locker you need will depend on the items you plan to store, as well as if you need short-term or long-term storage. You might have a locker barely big enough for your textbooks, or one that can hold your backpack, coat, and gym bag with ease. One of the worst experiences we.
