

Central procurement of China National Nuclear Corporation's energy storage system

Overview

On March 1st, China National Nuclear Corporation (CNNC) Xinhua Hydroelectric Power Co. issued a bidding announcement for the centralized procurement of all vanadium flow electrochemical energy storage systems for 2024, estimating the purchase of 1. Here are three ways to bolster investment in nuclear energy. 8 billion centralized purchasing initiative isn't just about buying. Data shows that from January to June this year, the total publicly traceable bidding and procurement scale in the domestic energy storage market exceeded 170 GWh, a 1.

Central procurement of China National Nuclear Corporation s energy
