

Colored steel photovoltaic panel fraud

Overview

Did a salesperson knock on your door and promise free rooftop solar panels at no cost to you?

Or say you'll never have to pay another electricity bill because government programs, grants, or rebates cover your solar installation?

It's likely a scam. There are numerous complaints about a small number of unscrupulous solar companies. People complain that they were deceived about costs and savings, misled about loans and with the Consumer what resources are available in your state: [usa.gov/state-consumer-purchase-agreement](https://www.usa.gov/state-consumer-purchase-agreement), or subscribing to a community solar. Demand for solar-powered home systems has increased rapidly in the last several years. The criminals are leaving unsuspecting homeowners with massive debt; many victims have reported losing tens of thousands of dollars.
