

Customized price of special-shaped solar panels

Overview

After the final drawings and design options are agreed, we will provide you with the most competitive price quotation available. As a customized solar panels solution provider and high efficiency solar panel manufacturer, we work closely with our clients from the initial stage of product development, to providing technical support and optimized solar panel design options, and meeting the specific needs of each and every one. We, at GermanSolar, engineer, design and manufacture high performing PV On-Grid and Off-Grid panels for your OEM needs based on your PV solar panel-requirements and specifications. Our highly experienced engineering and production teams design and manufacture for you custom-made high-quality. Yes, it is possible to make a solar panel in a custom shape. At Voltaic, we manufacture custom and standard small solar panels and while most are rectangular, we have experience designing and deploying a full range of interesting shapes and sizes. Whether you need bendable panels for curved surfaces or lightweight solutions for mobile applications, factory-direct relationships deliver what standard panels can't. Discover custom shaped solar panels with 25.8% efficiency & IP67 waterproofing. Flexible manufacturing line enables us to offer wide range of customization options.

Customized price of special-shaped solar panels

[Custom Shaped Solar Panels](#)

Discover custom shaped solar panels with 25.8% efficiency & IP67 waterproofing. Ideal for RV, yacht, and solar canopy applications. Handmade designs available.

[Custom size and shape solar panels](#)

Custom size and shape solar panels Flexible manufacturing line enables us to offer wide range of customization options. Where combining those options together allows us to achieve endless ...
