[DEYE BOS-G40 , 40kWh High-Voltage LiFePO4 Battery Rack](#)

Its eight LiFePO4 modules come in a single 19-inch rack, so installation is straightforward and fast. Built-in monitoring keeps every cell balanced and reports temperature, voltage, and current in real time, ...

[Server Commissioning Checklist Template](#)

Server Commissioning Checklist Template This document is a commissioning checklist that outlines the steps to stage, install, configure, and deploy a new or reused IT asset.

[Customer installation guidelines](#)

Use this guide as a how to and best practices set of guidelines for the correct installation of IT equipment. Incorrect installation can affect your equipment performance and could impact claims ...

Lithium battery parameters

Product capacity: 100Ah

Product size: 135*197*35mm

Product weight: 1.82kg

Product voltage: 3.2V

internal resistance: within 0.5
