

Hungarian mobile solar container manufacturer

Overview

Solarfold allows you to generate electricity where it's needed, and where it pays to do so. The innovative and mobile solar container contains 196 PV modules with a maximum nominal power rating of 130kWp, and can be extended with suitable energy storage systems. LZY mobile solar systems integrate foldable, high-efficiency panels into standard shipping containers to generate electricity through rapid deployment generating 20-200 kWp solar. LZY Energy provides efficient and reliable energy management solutions for I&C users through leading technology and careful design. We are committed to promoting energy transformation and sustainable development and providing innovative energy storage solutions. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever.

Hungarian mobile solar container manufacturer

[mobile solar power plants & stations](#)

We sell a container including fold-up aluminium solar wings, each made from 8 solar panels, providing 2.4kW power and wired to the pre-fitted technical room inside the container.
