

# Industrial Photovoltaic Energy Storage Company

## Overview

---

SOLV Energy delivers the large-scale solar and battery storage projects that keep these industries powered — on time and at massive scale. To cope with the problem of no or difficult grid access for base stations, and in line with the policy trend of energy saving and emission reduction, Huijue Group has launched an. EVB delivers advanced energy storage solutions especially for industrial and commercial applications. Our modular LFP battery packs are scalable, catering to storage requirements ranging from kWh to MWh. Leverage the flat roofs of factories to generate additional power for electricity-intensive machinery or HVAC systems.
