

# Jamaica power supply solar container system

## Overview

---

The 40KWH battery stores excess energy generated by the solar panels during the day, ensuring a continuous supply of electricity at night or during cloudy periods. The 16KVA hybrid inverter efficiently converts the stored energy into usable AC power for household. The solar box comes as a DIY kit, allowing individuals to set it up on their own. The units, sold locally by Solar Essentials and its sister. PowerPoint Solar in Jamaica is your trusted choice for solar panel installation. With over a decade of experience, we aim to reduce your electricity expenses through top-notch solar solutions. Our certified team specializes in customized solar setups for homes and businesses. We don't just install—we ensure your Solar Power System Kits works flawlessly, every time. Quick, professional, and hassle-free. 4MWh in just over 365 days compared to 7.
