

Macedonian organic solar panel manufacturer

Overview

Macedonia does not have its own manufacturers and producers of solar power equipment. Therefore, most of the suppliers and distributors are based in foreign destinations or you can also search for them online. PiKCELL Group founded in 2018 in Skopje, Republic of North Macedonia is a high tech company for production and development of monocrystalline and polycrystalline photovoltaic solar modules and photovoltaic thermal modules. We believe in the safe future of growing electricity from renewable sources. The Macedonian Association for Solar Energy, Solar Macedonia, continued with the second group of participants in the solar installer training program. Candidates will start with theoretical teaching. Information is checked, categorised and connected. Solar Solutions' Electrolux solar distribution network expands to Macedonia with Electrolux Palenzo AB. Ekoterm Proekt EAD was established on 2008 as a.
