

Majuro electricity distribution

Overview

The Marshalls Energy Company (MEC) is vertically integrated state-owned utility established in 1984 and provides electricity generation and distribution to Majuro, the capital of the Republic of Marshall Islands (RMI) and the outer islands of Jaluit and Wotje. 's solar panels are on school and government building rooftops. Photo courtesy of Marshall Islands Energy Co. RMI is an independent nation consisting of five islands and 29 atolls across 750,000 square miles of ocean. 35 per kilowatt-hour (kWh), more than twice the average U.S. The project will install an advanced metering infrastructure (AMI) in the Majuro power.
