

Malta solar container battery

Overview

It is a single-box system consisting of lithium battery modules, Battery Management System (BMS), Power Conversion System (PCS), Energy Management System (EMS), air conditioning, and fire suppression—packaged in a heavy-duty, plug-and-play container. Malta's premier solar battery solution for complete home energy independence. Experience unparalleled safety with our multi-layered protection system, featuring industrial-grade LiFePO4 batteries. Virtue Solaris offers its clients a range of unique battery energy storage solutions based on high voltage lithium ion batteries produced by renown electronics manufacturers such as Sungrow and Huawei. These batteries can accumulate surplus energy produced by a PV system during the day, and release. Built-in BMS protects your battery and optimizes charging from solar controllers and converter chargers. Big adventures call for serious power.

Malta solar container battery

EcoFlow Malta

Malta's premier solar battery solution for complete home energy independence. Highest-rated efficiency, longest warranty, and unmatched reliability for Maltese homes and businesses.

 Home Backup Systems - No More Power Cuts!
 Battery Datasheet
 One major advantage of a home energy storage system is that it can provide backup power during power outages. Once a power cut occurs, our smart backup system immediately transfers available solar power or battery power to supply priority loads in your home. In some configurations, it is actually possible to supply your entire home with power in su
