

Oilfield Network Cabinet AC DC Integrated Operation and Maintenance

Home Energy Storage (Stackble system)

High Efficiency

Easy installation

Safe and Reliable

Perfect
Compatibility

Product Introduction

- Scalable from 10 kWh to 50 kWh
- Self-Consumption Optimization
- Integrated with inverter to avoid the compatibility problem

- LFP battery, safest and long cycle life
- Stackable design, effortlessly installation
- Capable of High-Powered
- Emergency-Backup and Off-Grid Function

Overview

As an original equipment manufacturer with a deep understanding of our equipment's power distribution requirements, NOV has designed and manufactured drive systems for countless onshore.

Oilfield Network Cabinet AC DC Integrated Operation and Maintenance

Policy report

Group Projects & Engineering is the owner of this Specification and responsible for its custody, maintenance and periodic update. In addition, Group Projects & Engineering is responsible for ...
