

Retail Folding Container Type for Subway Stations Waterproof

Overview

Keep your sandwich safe, fresh, and mess-free with the SubSafe Waterproof Food Storage Container. Designed to fit both 6-inch and 12-inch subs, this BPA-free, leakproof container protects your food from getting squished or soggy during transport. No More Soggy Subs - As seen on Shark Tank, SubSafe's airtight, 3-piece twist-lock design keeps sandwiches fresh, dry, and crush-free. Prior to the SubSafe, sub lovers used square Tupperware or resealable single-use plastic bags to protect their sub sandwich and they always leaked, leaving you with a soggy sandwich. Well, those days are over! SubSafe is. SubSafe can go with you anywhere! Waterproof, crushproof, and it floats. We've teamed up with Provision Packs in the fight against childhood hunger. With its ingenious multi-purpose.
