

# Rosso electricity safety

## Overview

---

Electrical safety is a priority for every property owner. Our inspections are carried out by qualified electricians who identify risks, faults, and non-compliance with. ⚠️ **WARNING:** Riding an electric ATV can be dangerous. Like other electric products, electric ATVs can and are intended to move, and it is therefore possible to lose control, fall off and/or get into dangerous situations that no amount of care, instruction or expertise can eliminate. If such things. We are a company that aims to put a smile on each kid, one ride at a time.  
Page 3 ⚠️ **DO NOT EXCEED THE WEIGHT LIMIT OF 90 POUNDS.**
