

Solar generator donations

Overview

By supporting us with your donation, you enable us to deploy solar energy systems to local nonprofits, fostering environmental sustainability and reducing their carbon footprints. Together, we can combat climate change and preserve our planet for generations to come. GRID Alternatives' equipment partners are not only helping us reach more families, but are also putting their high quality products in front of top local installers, prospective consumers, and GRID's thousands of volunteers and trainees--the solar workforce of tomorrow. Major equipment partners. GiveSolar is a national nonprofit working to make solar energy a standard feature of affordable housing. By partnering with Habitat for Humanity affiliates across the U. and Puerto Rico, we're breaking down cost barriers so hardworking families can enjoy the benefits of clean, reliable, and. Since 2017, Good Sun has served over 2,000 low-middle income families, diverted over 150,000 pounds of solar panels away from landfills, and has provided over \$300,000 in materials and monetary donations to other charities and disaster relief efforts. To date, BioLite's impact work has reached over 14 million individuals. Through our new Give Energy Fund and network of 700 on-the-ground. The following 4 steps outline the process for donating solar panels and solar equipment to Good Sun. Your donation is tax-deductible.
