Reliable solar-powered security cameras with advanced features like 360° coverage, motion detection, and two-way audio. Weatherproof design for any. It offers stunning 2K resolution, seamless compatibility with smart home devices and the convenience of a built-in spotlight, all at an unbeatable price. Our tests allowed us to pick other standout options that you should consider, including models with built-in solar. But while the Zumimall camera is affordably priced, the cloud storage is among the pricier plans we've seen at \$9 a month (\$90 a year). This camera does have a slot compatible with local SD storage, though it doesn't come with an SD card.
