

Solar support removal

Overview

Tap 'Support' at the bottom of your energy system home screen. Select 'Contact Us' > 'Maintenance & Repair' > 'Panel Removal & Reinstallation.' You can also initiate the removal request on the Tesla website. Get started from Tesla app. Reinstallation is the process of reinstalling solar panels after reroofing, remodeling or relocation. Timelines may vary depending on the scope of work and crew availability, so we recommend starting. In this in-depth guide, we'll detail everything you need to know about the solar panel removal and reinstallation process and the importance of using trained professionals to assist in the project.
