

Spain Communication Power Supply Cabinet 47U Retail

The image shows a 47U rack of power supply cabinets. The rack is white with black components. It has a control panel at the top with a digital display and buttons. Below the control panel are several modules, each with a small display and buttons. The rack is mounted on wheels. In the background, there is a house with solar panels on the roof and a satellite dish. The scene is set in a green field.

easy to install and use

World wide Products

faster charging and discharging

Multiple protection with alarm systems

Can save energy

the battery capacity can be increased freely and flexibly according to the situation of home use.

Rechargeable lithium batteries use safe LiFePO4
