

State Grid Anti-Corruption Warning Microfilm

Overview

This Anti-Corruption Tracker focuses on the erosion or dismantling of oversight and accountability systems within the United States Executive Branch—watchdog offices closed, enforcement units disbanded, oversight officials removed, and transparency rules hollowed out. This tracker is part of Just Security's "When Guardrails Erode," an anti-corruption series. This Implementation Plan (the plan) articulates activities the U. Department of State (the Department) is undertaking to achieve the five pillars of the Strategy: This. traditional corruption is particularly wide. economy, security, and democracy. Federal prosecutors have brought cases involving a range of officials and misconduct—from local leaders soliciting bribes for marijuana licenses,¹ to members of Congress laundering campaign funds or.
