Overview

ACTIC Engineering is a privately owned company located in Khartoum, the capital of Sudan. The company provides an integrated solution for generators and generator power systems, power transmission products, diesel and gas engines, welding machines as well as parts and accessories. Although power generation has more than tripled since 2000, millions of people are still without access to on-grid. In 2016, Al Majd Power Sudan branch was established to serve the North African market. Over the years Al Majd Factory has grown with stronger commitment to customer satisfaction. Need help?
