...

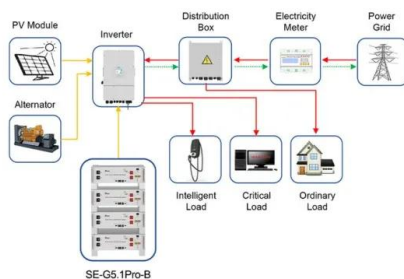

**Home Energy Storage (Stackle system)**

-   
High Efficiency
-   
Easy installation
-   
Safe and Reliable
-   
Perfect Compatibility

**Product Introduction**

-  Scalable from 10 kWh to 50 kWh
-  Self-Consumption Optimization
-  Integrated with inverter to avoid the compatibility problem
-  LFP battery, safest and long cycle life
-  Stackable design of for easy installation
-  Capable of high frequency
-  Emergency Backup and Off-Grid Function

Application scenarios of energy storage battery products

[Find a Washington Solar Installer](#)

Trusted for 14+ years, we are the top choice for solar panel installation in Washington and Oregon. Our low-pressure approach and regularly updated solar resource center empower you to make informed ...

## [SEATTLE CITY LIGHT GUIDE TO INSTALLING A SOLAR ...](#)

Consult with an installer for the pros and cons of the various module sizes, the type of panels they use and why they like them, the panels' UL listing (required for electrical inspection and utility ...
