

Where is the Jinri Technology photovoltaic panel manufacturer

Overview

At Jinri Solar we are a leading solar panel manufacturer based in China, dedicated to driving the world's transition to renewable energy. From residential systems to commercial solutions, our products are engineered for efficiency and durability. Our ENF Solar is a definitive directory of solar companies and products. As the world's leading producer, China commands over 95% of the global market for key components such as polysilicon, ingots, and wafers. We are professional manufacturing in solar panel, solar module solar cells, and output power is 5W to 280W both mono and poly. Our capacity is: 100MW per year AIOT ENERGY CO,LTD.
